

A Chicago based distributor is looking for experienced sales people. Let your experience and book of business go to work for you. Commission rates start at 60% and go up to 70%. We are building a nationwide network of experienced promotional products distributors.

There are no non-compete provisions, or any other restrictive provisions, that prevent or restrict you from doing business how you want, when you want, and with whom you want. Our agreement is just a few pages long, and it can be terminated at any time and for any reason.

Our program focuses on one thing... HIGHER COMMISSIONS, plain and simple. We buy right and have special relationships with all of the industry's top suppliers. Don't wait, join our team today and start earning more money immediately.

Minimum of 1 year of Full time, Promotional Products Sales Experience.

NOTES:

5 openings.

Telecommuting is allowed.

Additional Salary Information: Commission rates start at 60% of profit and escalate to 70% with increased sales volume.
