PROFESSIONAL EXPERIENCE

RR Donnelley - LSC Communications, Maple Grove, MN

2014 to 2017

Customer Service Coordinator - Primary contact in the development of client/dealer relationships, making outbound and inbound calls to product dealers in order to sell, plan and market advertising programs.

- ◆ Spend 60-70% of time working with dealers over the phone, answering questions and inquiries, selling programs (cold-calling), and e-mailing confirmations and reminders for this advertising/marketing support center.
- ◆ When working with clients to gather information, interact with dealers, vendors, and other personalization team members, provide creative direction and, if needed, conduct research on the project.
- ◆ Effectively present and sell ideas to all outlets, choose the correct medium and layout to best convey the required message, present visuals such as mockup samples, and support deliverables to communicate vision for the final product.
- ◆ Understand client brand management and develop guidelines to adhere to, while clearly communicating with clients in order to understand their design needs and present concepts.
- ◆ Assist team in gathering information about dealer advertising programs, respond to customer needs, prep jobs for ad creation, troubleshoot files for print and keep up-to-date with advancements of technologies and programs.
- ◆ Provide electronic and physical presentation materials, produce accurate and high quality work while working to tight deadlines, plan work according to developed specifications, processes and procedures.
- ◆ Manage the production process of each project, monitor all aspects of production schedules, and assure completion of all tasks in accordance with client specifications in a timely and efficient manner.
- ◆ Proofread paperwork and back-up other Advertising Coordinators and team leads in their absence, send out offline mailings and notify Supervisor of any job discrepancies or challenges.

Factory Motor Parts - Eagan, MN

2012 to 2014

Sales Support Rep-Distribution & Retail - Supported the Retail/Distributor Channel with a variety of sales support functions in order to increase overall sales within the division; assisted customers with questions, concerns, orders, and other needs as well as investigated and resolved issues and concerns.

- ◆ As sales support, made outbound calls to customers for follow-up, to promote sales, or other related reasons; assisted channel in growing incremental sales through a variety of sales support activities including documentation and ran reports and metrics that measured a variety of customer and sales details.
- ◆ Input customer orders received verbally or through other means; received, responded to, and effectively resolved incoming customer calls escalating information to sales when necessary; worked with operations staff in regards to the delivery of customer orders, estimated time of delivery, service issues, backorders, and fill rates.
