

***Promotional Marketing Swag Master
Stackable Sensations, LLC
PPAI # 290346***

Think you are creative? Do you love to expand brand awareness through concept or product? Do you think outside the box? Are you good at multitasking? Are you looking for a fast-paced environment where you will never do the same thing every day? If so, we would love you to be a part of our team!

A Fun Fact about us...we're not only good at what we do, but we enjoy it as well: Stackable Sensations was voted by two different industry publications as "Best Places to Work For" and "Greatest Companies to Work For."

Part-time and full-time opportunities available at Parsippany, NJ headquarters.
Remote access possibilities when needed.

Responsibilities Include but are not limited to:

- Thinking outside the box and creating interesting presentations for our clients including unique or custom items that fit with the theme or event.
- Ability to multi-task, organize, and prioritize work accurately and swiftly.
- Being comfortable with e-mail correspondence and some telephone calls with clients.
- Excellent written and verbal communication skills.
- Having the love for the industry and impeccable follow up is required.
- Enter, update and maintain CRM information on leads, prospects, opportunities and sales orders.

Qualifications

- Experience working with ESP, SAGE, Commonsku, Facilis or other industry software.
- Well-versed in Microsoft Office Suite.

Company Description

- Stackable Sensations is a go-to source for the most creative and high-quality corporate-logo items, custom/executive gifts, logo-branded giveaways for meetings, events, trade shows, press junkets/corporate/client occasions and online stores that help increase your brand awareness.
- We deliver original solutions for many types of events and have earned a reputation for unparalleled service, outstanding responsiveness, dependability, exceptional product knowledge, and unrivaled client satisfaction.
- Stackable Sensations offers competitively priced products and total event solutions. We work extremely well with companies to identify, select, and customize exclusive, memorable, and appropriate marketing programs using branded promotional products and custom bundles.
