

2018 PPAI Board Candidate
Distributor Candidate Statements From R. René Jones, MAS+

Statement 1/ Why Me?:

Are you among the association's majority who have less than one million in sales annually? I would like to represent you because our voices should be heard. I hope to be the voice for both distributors and suppliers who wear multiple hats to work.

My previous leadership experience, refreshing and transparent attitude shows that I'm not afraid to speak up.

I'm interested in learning what is important to you. Your feedback will help to steer good decisions in growing and protecting the industry for future growth.

I'm asking for your vote for the Distributor Seat. Thank you for your consideration.

Statement 2 / Why Vote?:

Less than 10% of the association's members actually vote in the Board Election. That means that a majority of you think that you don't have a voice on the Board so there is no sense in voting. This is the year to make a change!

You do have a voice and you should cast of vote for the two people who you feel will most represent you. Your voice will put one supplier and one distributor on the board for the Class of 2023. That's four years those two people should be speaking for you.

Your Vote Matters!
