Geiger, the largest privately held promotional products distributor in the US, is seeking an energetic, dependable team player to join our company as a Distribution Specialist. Under the general supervision of the Distribution Center Manager, individuals will perform the basic functions of stocking, picking, and packing products, while applying continuous improvement tools and concepts. If you have experience in warehousing and want to be part of a great team, we want to hear from you!

What you will do:

- Pick, pack, and confirm orders
- Ensure accuracy of items picked to work order
- Perform custom kitting projects as assigned
- Put away product
- Operate walk behind jack and Hyster and Order Picker Forklifts
- Other duties as assigned

What you will need:

- A High School Diploma or GED
- Basic mathematical skills
- One – Two years of Distribution Center operations experience
- Experience with powered industrial trucks
- Experience with RF guns
- Experience in picking and packing operations and use of material handling equipment
- Ability to lift up to 50 lbs., stand, and walk for extended periods of time
- Experience with warehouse management systems preferred
- Ability to work flexible shifts and overtime when needed

What is in it for you?

- Full benefits package
- Onsite Wellness Center and fitness classes
- Education reimbursement
- Profit-sharing
- 401k (with a match!)
- Clean, safe environment

Full-Time Regular/M - F

7:30 am - 4:00 pm
