

Job description

Advance Corporation is looking for a talented Digital Print Operator to join the Advance Team!

Established in 1941, Advance Corporation is a family-owned manufacturer of Recognition Awards and Architectural Signage. With over 80 years of experience, we know the value of delivering quality products on time and within budget. Our commitment to training, product advancements and state-of-the-art equipment reflects our desire to be a leader and innovator in the industries we serve.

NECESSARY TO ALL POSITIONS IN COMPANY:

Dedicated to making our customers successful by conforming to requirements, preventing defects and delivering the right result the first time every time. Uncover, record, report, and solve problems in quality variations of products and/or services to assure on-time delivery of the highest quality products.

Summary -

The Digital Print Operator will be a key member of a fast-paced creative team with the primary responsibility to review customer art, set up digital printing machines, and aid in the production of high quality custom awards and signs. The ideal candidate should have a minimum of three years experience working in a similar role within a fast paced manufacturing environment.

The ideal candidate has successful experience operating flatbed UV Inkjet and roll fed Inkjet printers. They must also have significant experience color matching, hitting tight registrations, following specifications, strong mechanical aptitude and be passionate about quality while working in a fast-paced, deadline-driven environment.

Essential Duties -

Prepare both the graphic files and production setup digital print machines to process color images on various substrates or media. Manipulate RIP software to control and maintain color accuracy and operational efficiency. Use other related equipment and tools as required. High mechanical aptitude necessary.

Qualifications -

Education: Technical degree in Graphic Arts or equivalent experience. Bachelor's degree a plus. Three years experience operating flatbed UV Inkjet and roll fed Inkjet printers as well as a laminator.

Skills -

Ability to read and interpret documents such as safety rules, shop orders, CAD drawings, operating and maintenance instructions, procedure manuals and job procedures. Detail oriented, proficient with MS Office, Adobe Illustrator and Photoshop.

Ability to lift up to 60 pounds.

Advance Corporation offers competitive wages based on experience and benefits including group health Insurance, dental, life insurance, paid vacation, paid sick, 401K.

Work Remotely - No

Job Type: Full-time

Pay: \$18.00 - \$25.00 per hour
