

Product Designer & Merchandiser Position

Terry Town is looking for a talented individual to join our product development team. We supply beach towels, blankets, robes, bags, yoga mats, and travel items to the promotional products industry. We decorate our products by screen printing, embroidery, sublimation and uv printing at our San Diego, California facility.

Job Description and Responsibilities

- Will work very closely with our sourcing, marketing and production teams to create new items for our expanding product line.
- Must hold a bachelor's degree in Textile Design, Fashion Design or equivalent experience.
- Advanced Adobe Photoshop and Illustrator skills required.
- Minimum two years' experience working in a similar role in the promotional products industry/ fashion or retail industries.
- Must be highly organized and detail oriented with good communication skills.
- Basic understanding of weaving, knitting, printing of textiles, finishing of blankets and bags is highly desired.
- Utilize hand drawing or illustration when necessary to create designs.
- Travel is required in the U.S to visit customers and exhibit at trade shows and overseas to visit suppliers and to attend trade shows.
- Position is on-site, full time, working out of our San Diego, California facility.
- If you think you may be a good fit to join our team, we would love to hear from you!
